

Dear Sir / Madam,

You will receive this letter from your general practice Binck-Zorg.

To our great regret, we are forced to close the Binck-Zorg GP practice as of April 1.

We had to make this decision due to the ongoing problems with finding sufficient medical staff (GP and doctor's assistants) for the practice.

We have found General Practice Bordewijk, located at Bordewijklaan 7, 2591 XR The Hague, and part of Co-med, willing to take over the care of our patients.

This means that the highly skilled team at General Practice Bordewijk will be ready for you as of Monday, April 1. We will of course ensure that your complete medical file is transferred to the new practice in a timely manner so that care can continue unabated.

In order to ensure the transfer in a timely manner, we will no longer hold consultation hours at our location at Zonweg 33 in Binckhorst as of March 28. For appointments on Thursday, March 28 and Friday, March 29, you can visit the location of General Practice Claessen located at Parkweg 218, 2271 BE Voorburg. The practice will remain reachable during the transition via the well-known telephone number 070-2230206.

As from 1 April, you are welcome at general practice Bordewijk, open from Monday to Friday between 8 AM and 5 PM. The practice can be reached by telephone every day from 8 AM to 11 AM and from 2 PM to 4 PM. Between 2 PM and 5 PM only for emergencies and collegial consultations. The telephone number of the practice is 070-2092041. The practice's email address is bordewijk@co-med.nl.

We deeply regret that we had to make this decision and that it will cause you unrest and will take some getting used to. We ask for your understanding. Naturally, we will do everything we can to make the transition as smooth as possible.

All patients are free to choose another GP. If you would like to register with another GP, please contact one of the practices by telephone via the telephone numbers mentioned above and your file will be transferred to the GP in question as soon as possible.
